

(Note: Service Area is Blue)

The New York FSDO is responsible for the following geographic areas in addition to the 5 boroughs of New York City:

- Bermuda
- Greenland
- Oceanic areas within the Gander, New York, and Sondrestrom Flight Information Region (includes John F. Kennedy and LaGuardia Airports). This includes all Part 129 activity.

The New York FSDO is not responsible for:

- Rotorcraft (helicopter) activity within the 5 boroughs of New York City. Rotorcraft issues are handled by the Farmingdale FSDO.
- Designated Pilot Examiners
- Designated Airworthiness Examiners
- Inspection Authorizations
- Aviation Safety Program or FAASTeam
- Flight Safety International based at LaGuardia Airport
